The following respondents were deemed Non-Responsible Bidder				
Blender Direct				Nonresponsible- Vendor failed to propose on all bid items.

In determining whether a bidder qualifies as “responsible” (i.e., eligible for award), a number of factors, including but not limited to the following, may be considered.

A responsible Bidder should:

1. Meet the applicable small business participation requirements, if any
2. Have the ability to comply with the required delivery or performance schedule, taking into consideration other business commitments;
3. Have a satisfactory record of performance and integrity;
4. Have a satisfactory safety and environmental record;
5. Have a satisfactory references; and
6. Have the necessary facilities, organization, experience, authorizations, technical skills, and financial resources to fulfill the terms of the contract for the Project.
